UTAH AIR NATIONAL GUARD
ROLAND R. WRIGHT AIR NATIONAL GUARD BASE UTAH

7 January 2018

MEMORANDUM FOR ALL PERSONNEL

FROM: 151 ARW/CC

SUBJECT: Environmental Commitment Statement

1. At the Utah Air National Guard Base, protecting the environment is one of our highest priorities and will be a major factor in decision-making. The Utah Air National Guard is dedicated to continued improvement of processes to prevent and reduce waste generation. The Utah Air National Guard will maintain compliance with federal, state and local environmental laws and regulations as well as Executive Orders, U.S. Air Force instructions and guidance, and AFD 90-8, Environment, Safety & Occupational Health Management and Risk Management.
2. The Utah Air National Guard operates and maintains the KC-135 aircraft and its support equipment. In all of the Utah Air National Guard activities, we will seek to:
 - a. Promote the conservation and sustainable use of natural and manmade materials
 - b. Prevent environmental pollution and minimize waste generation
 - c. Build environmental concerns into policies, programs, and missions
 - d. Set environmental goals, measure progress, and take corrective action when necessary
 - e. Achieve continuous improvement in environmental performance over and above regulatory and legislative requirements
 - f. Work in partnership with all stakeholders to promote waste reduction
3. Compliance with this Environmental Commitment Statement and AFD 90-8 is the responsibility of every member of the Utah Air National Guard and everyone working on behalf of the Utah Air National Guard, including contractors and tenants.
